

Trend Jejaring Sosial “Twitter”

Twitter merupakan salah satu layanan online yang sedang populer di Jepang saat ini.

Apakah sebenarnya Twitter itu?

Pada dasarnya Twitter adalah kumpulan pesan singkat, dengan maksimal 140 huruf tiap pesan.

Lazimnya, melalui pesan ini kita menyampaikan apa yang sedang kita lakukan sekarang, ataupun juga meneruskan informasi lain.

Selain itu, kita juga bisa membaca berita terbaru dari teman-teman, situs berita, maupun bintang film favorit.

Dibandingkan dulu, kecepatan kita dalam menerima informasi telah meningkat pesat.

Apakah hal ini baik atau buruk? Bagaimana menurut Anda?

The image shows a screenshot of the Twitter homepage from 2007. The page has a light blue background with the Twitter logo at the top left. The main content area is white and contains a welcome message: "A global community of friends and strangers answering one simple question: **What are you doing?** Answer on your phone, IM, or right here on the web!". Below this, it says "Look at what [these people](#) are doing right now...". There is a list of tweets from various users, including @sloeberly, ryo_grid, Vinko, goodonpaper, marjolein, Dominoid, mako_k, siukaiddo, and ceiteag. Each tweet includes a profile picture, the user's name, the text of the tweet, and a timestamp. On the right side, there is a sign-in box with fields for "Username or Email" and "Password", a "Remember me" checkbox, and a "Sign In" button. Below the sign-in box is a "Join for Free!" button with the text "It's fast and easy!". At the bottom of the sign-in box, there is a "Featured!" section with links to "Rocketboom", "TrippingOnWords", "Web 2.0 Expo", "Jessica Mellott", and "Drive". At the very bottom of the page, there is a copyright notice: "© 2007 Obvious | [About Us](#) | [Contact](#) | [Blog](#) | [API](#) | [Help](#) | [Terms of Service](#)".
